

PiE Business Partners Program

PiE recognizes that local businesses are the backbone of the Palo Alto, Stanford, and Los Altos communities served by the schools of the Palo Alto Unified School District. And our schools are the key to why the area is such a desirable place to live for our families. So that local businesses and realtors can show their support of our schools to the more than 8,000 households within the school district, PiE has created the Business Partners program to encourage businesses to make a donation in support of Palo Alto schools. This is an excellent way for PiE to communicate with PAUSD parents and supporters about those businesses that value schools. PiE Business Partners donate between \$500 and \$50,000 annually, and are recognized in a variety of ways.

Categories of Business Partners include:

- Community Benefactor, for those giving \$25,000 or more
- Summa Cum Laude, for those giving between \$5,000 and \$24,999
- Magna Cum Laude, for those giving between \$3,500 and \$4,999
- Cum Laude, for those giving between \$1,000 and \$3,499, and
- Dean's List, for those giving between \$500 and \$999
